

## **Celebration of International Tenants' Day/World Habitat Day 5th October 2020 15.00-16.30 Brussels - Digital meeting**

The International Union of Tenants (IUT), organisations for tenants in Sweden, Bosnia-Herzegovina and North Macedonia in cooperation with Freja Forum Foundation are inviting you to celebrate International Tenants' Day/World Habitat Day.

The United Nations have designated the **first Monday of October of every year as World Habitat Day** since 1985. IUT also celebrates the International Tenants' Day on this date. This year the theme is **Housing For All - A Better Urban Future**. Housing is a fundamental right in every society and therefore needs to be addressed locally, nationally and internationally.
